REGULATORY COMPLIANCE SEMINAR

May 13, 2009

at Northeast Ohio Regional Sewer District

Sponsored by:

American Lung Association
of Ohio (ALAO)

Cleveland Clean Air Century
Campaign (CCACC)

Northeast Ohio
Regional Sewer
District (NEORSD)

Ohio Association of Metal
Finishers (OAMF)

Ohio Environmental Protection
Agency (Ohio EPA)

Seminar Information

This half-day seminar provides important information regarding maintaining compliance with environmental, health and safety regulations.

EVENT: Regulatory Compliance Seminar

WHO SHOULD ATTEND:

Anyone who is responsible for environmental, health and safety compliance.

WHAT WILL I LEARN?

Topics presented in the seminar include:

- the Cessation of Regulated Operations (CRO) program in Ohio;
- an overview of the currently proposed changes to the water quality standards in Ohio (specifically the implications to industrial users);
- preparing for an OSHA inspection;
- hazard communication standards; and
- training opportunities available to industry via the Bureau of Workers' Compensation.

Presenters

Karen Nesbit, Environmental Specialist, Ohio EPA. Ms. Nesbit has a B.S. in geology from University of Dayton. She has worked for Ohio EPA for 18 years in the Division of Hazardous Waste Management. karen.nesbit@epa.state.oh.us

Elizabeth Toot-Levy, Environmental Specialist, Northeast Ohio Regional Sewer District. Ms. Toot-Levy has a B.S. in Water Resources and Environmental Biology from Heidelberg College. She is Chair of NEORSRD's Regulation & Permits Advisory Committee, is active in the Association of Ohio Metropolitan Wastewater Agencies (AOMWA), serves on the National Association of Clean Water Agencies (NACWA) Water Quality Committee, the NACWA Legal Affairs Committee, the NACWA Emerging Pollutants Workgroup, as chair of the NACWA Mercury Workgroup, and the Water Environment Research Foundation's Emerging Contaminants Issue Area Team. toot-levye@neorsrd.org

Julie Weis, Compliance Assistance Specialist, Occupational Safety and Health Administration. Ms. Weis has a B.A. in Chemistry from Hiram College and has worked for OSHA for 22 years in both enforcement as an industrial hygienist, and currently as a Compliance Assistance Specialist, a non enforcement position. weis,julie@dol.gov

David E. Loughner, Industrial Safety Consultant Specialist, Bureau of Workers' Compensation. Mr. Loughner graduated from Indiana University of Pennsylvania with Masters & Bachelors degrees in Occupational Safety and Health. He has worked for the Division of Safety & Hygiene since 2002. Before joining the BWC, David's work experience included: Machine operator in a steel fabrication plant, Residential & Commercial Construction and Restaurant Management. David.L.2@bwc.state.oh.us
