

# **OAMF Presents...**

## **“TREATMENT of METAL WASTESTREAMS” CERTIFICATION COURSE & EXAM**

**DATES:** September 26th, October 3rd, October 10th  
*Note: Participants must attend ALL classes for certification*

**LOCATION:** Northeast Ohio Regional Sewer District  
4747 East 49<sup>th</sup> Street  
Cleveland, Ohio 44105

**DAILY AGENDA:** 8:15 a.m. – Registration, Coffee & Donuts  
8:45 a.m. – Class Begins  
3:30 a.m. – Class Concludes  
\*Note: Boxed Lunch Provided

**OAMF** has retained Mark Andrus (Coventya, Inc.) and Larry Adloff (retired NEORS) as instructors for the course. Both are certified instructors for the “Treatment of Metal Wastestreams” offered through by Cal-State University.

The course, exams, and instructors have been certified by Cal-State and have been recognized by the Northeast Ohio Regional Sewer District as meeting the new certification requirements. The class will be held on three consecutive Fridays at the Northeast Ohio Regional Sewer District. **\*\*NEORS supports this educational effort and recognizes this as an approved program for operator certification.\*\***

An official textbook will be provided as part of the course. The course will be divided into three sections. Following each section, students are required to take & pass an exam. Certification will be granted to those individuals receiving a passing grade of 70% higher on each section. Exams will be graded by a Cal-State certified instructor.

### **Who should attend?**

- **Anyone required by the NEORS to have a certified waste treatment operator on staff.**
- **Anyone looking to operate pretreatment systems more efficiently.**
- **Business owners with companies operating a pretreatment system under permit guidelines.**
- **Wastewater treatment operators.**
