Regional Sewer District**

## SEMINAR INFORMATION

This half day seminar provides important information regarding maintaining compliance with environmental, health and safety regulations.

### WHO SHOULD ATTEND?

Anyone responsible for environmental and/or health and safety compliance.

### WHAT WILL I LEARN?

Topics presented in the seminar include:

- A review of the RCRA regulations pertinent to small and large quantity generators;
- Evaluating of wastes to comply with RCRA regulations;
- Manifesting wastes;
- An update on OSHA regulations;
- A look at how organizations communicate to the public through social media;
- An overview of process and treatment system changes in which notifications are required.

Please note that the RCRA portion of this workshop may fulfill part of your the annual RCRA training requirement (non-site-specific portion) depending on your Personnel Training Plan. Site specific RCRA training requirements are not covered and remain the responsibility of the individual facility.

## PRESENTERS

**Kristie Shipley**, Ohio EPA.

Ms. Shipley is a lead worker in the Compliance Assurance Section of the Hazardous Waste Program in the Division of Environmental Response and Revitalization. She has experience providing compliance assistance to the regulated community, providing technical assistance to Ohio EPA hazardous waste inspectors, and working on escalated enforcement cases. For the past 2 years, she has helped implement the hazardous waste pharmaceutical rules in Ohio.

**Stephen Weiler**, Ohio EPA.

Mr. Weiler is an Environmental Specialist in the Compliance Assurance Section of the Hazardous Waste Program in the Division of Environmental Response and Revitalization. In his time with Ohio EPA, he has worked as a Hazardous Waste Inspector, a Site Coordinator for multiple Federal Facilities, and has experience providing inspection assistance to district hazardous waste inspectors, preparing orders for escalated enforcement cases, and aiding the public and the regulated community in hazardous waste rules and management questions.

[Stephen.Weiler@epa.ohio.gov](mailto:Stephen.Weiler@epa.ohio.gov)

**Peter (PJ) Grakauskas**, Compliance Officer, Occupational Safety & Health Administration (OSHA).

Mr. Grakauskas holds a degree in Environmental Engineering from Cleveland State University. He has worked as a compliance officer with OSHA for the past ten years with a primary focus on general industry and an emphasis on machine guarding and lock out/tag out.

[Grakauskas.Peter@dol.gov](mailto:Grakauskas.Peter@dol.gov)

**John Gonzalez**, Communications Manager, NEORSD.

John Gonzalez is NEORSD's Communications Manager and handles social media as well as internal communications. The Sewer District has been actively engaged in social media since 2009, building reliable followings on Twitter, Facebook, and elsewhere to share updates, answer questions, and promote often-overlooked aspects of clean-water work.

[GonzalezJ@neorsd.org](mailto:GonzalezJ@neorsd.org)

**Patrick Slattery**, Environmental Specialist II, Ohio EPA. Mr. Slattery graduated from Youngstown State University in 2016. He currently oversees the industrial pretreatment program for one half of the northeast district, in addition to serving as the NPDES permit writer & reviewer for Ashtabula County.
