

Ohio Association of Metal Finishers' March 2018 Dinner Meeting: Ohio BWC

Bernadette Campbell, Business Consultant

Bernadette has been employed at the Bureau of Workers' Compensation for over 25 years. She has worked in multiple BWC departments with experience allowing/disallowing injured worker claims and working with employers to reduce risk and implement programs that lower premiums.

Bernadette will introduce the BWC program new in 2018: *Better Ohio, Better You*. She will also provide updates on Safety Grant programs and other free BWC safety resources.

John Canning, Industrial Safety Hygienist

John began his career in the private sector as an environmental consultant specializing in air sampling of asbestos. He has worked for the Division of Safety and Hygiene for 25 years, completing air and noise surveys for many clients.

John will discuss the *10 Things Every Metal Finishing Shop Needs to Keep Their Employees Safe*.
